Licenses

4/6/2009 - present

Licensed Psychologist

- Arizona License # 4026

Work History

1/1/12– present

Strategic Memory Alzheimers Rehabilitation Training SMART Aging, Inc.

Phoenix Metro, AZ

- Founder, Chief Medical Officer (CMO); Clinical Neuropsychologist

1/1/15– present

Red Mountain Sedona

Sedona, AZ

- Clinical Director

10/1/14– 12/1/15

Banner Concussion Center

Scottsdale, AZ

- **Clinical Neuropsychologist; Sports Psychologist**
 - Adult neuropsychological assessment for patients with concussion.
 - Specialize in assessment of adults with concussion.
 - Sports Psychology consultation and treatment
 - Supervise graduate students and post-doctoral students

8/1/14 – present

Mental Edge Neuropsychology

Scottsdale, AZ

- **Clinical Neuropsychologist; Sports Psychologist**
 - Adult neuropsychological assessment and consultation.
 - Specialize in assessment of adults with traumatic brain injury (TBI)/concussion and those with dementia
 - Individual and Group Psychotherapy

5/1/14 – present

4C Medical Group

Scottsdale, AZ

- **Inpatient Clinical Psychologist/Neuropsychologist**
 - Primarily involved in adult inpatient neuropsychological assessment and consultation.
 - Specialize in assessment of adults with traumatic brain injury (TBI)/concussion and dementia assessment
 - Sports Psychology consultation and treatment
 - Supervise graduate students and post-doctoral students
 - Adjunct Professor of Psychology at Arizona State University

5/16/13 – present

The Nicholls Group

Scottsdale, AZ

- **Clinical Neuropsychologist; Sports Psychologist**
 - Primarily involved in adult neuropsychological assessment and consultation.
 - Specialize in assessment of adults with traumatic brain injury (TBI)/concussion and older adults
 - Medicolegal consultation
 - Sports Psychology consultation and treatment
 - Supervise graduate students and post-doctoral students
 - Adjunct Professor of Psychology at Arizona State University

9/14/12 – 4/3/13

Casa Colina Centers for Rehabilitation

Pomona, CA

- **Director of Neuropsychology**
 - As Director of Neuropsychology, managed five neuropsychologists and approximately 12 graduate students
 - Conducted Inpatient and Outpatient Neuropsychological Assessment
 - Oversaw all fiscal involvement of Neuropsychology Department

4/2010 - 9/14/12

Maricopa Medical Center

Phoenix, AZ

- **Trauma Neuropsychologist**
 - Provided neuropsychological intervention to patients with acute brain trauma
 - Specializing in sports-related concussion and military-related traumatic brain injury (TBI)
 - Dual appointment in Departments of Psychiatry and Surgery – Trauma
 - Clinical Assistant Professor at The University of Arizona College of Medicine (Departments of Neurology, Surgery, and Psychiatry)

11/2009 - 3/2010

Private Practice

Peoria, AZ

- **Clinical Neuropsychologist**
 - Conducted outpatient neuropsychological assessments in private practice
 - Specializing in dementia evaluation, but also including TBI and ADD/ADHD evaluations

2/2009 - 10/2009

Arizona Neurological Institute
Sun City, AZ

- **Clinical Neuropsychologist**
 - Conducted neuropsychological assessments, predominantly on geriatric populations, but also including TBI, epilepsy, tumor, etc.
 - Specializing in differential diagnosis and early-stage dementia detection

Education

9/2007 – 1/2009

Barrow Neurological Institute
Phoenix, AZ

- **APPCN-approved Postdoctoral Fellowship in Clinical Neuropsychology**
 - Rotations on the Epilepsy Monitoring Unit (EMU), Inpatient Neurorehabilitation Unit, and Outpatient Neuropsychological Assessment

7/2006 –8/2007

The Boston Consortium (Boston VA)/Harvard U./Boston U.
Boston, MA

- **APA-approved clinical psychology internship experience**
- major rotation in *clinical neuropsychology*
- minor rotation in *spinal cord injury rehabilitation*
- Clinical Fellow in Psychology in the Department of Psychiatry, Harvard Medical School
- Teaching Fellow in Psychiatry, Boston University School of Medicine

8/2002 – 8/2007

The University of Montana
Missoula, MT

- **Ph.D. graduate in the clinical psychology program**
- specializations in *clinical neuropsychology* and *pediatric psychology*
- Dissertation Title: *Memory for Complex Pictures: Development and Validation of a Digital Test of Memory Malingering**
 - **Selected as the Inaugural Winner of the 2008 National Academy of Neuropsychology Outstanding Dissertation Award*
- Dissertation Advisor: Stuart Hall, Ph.D.

8/2000 – 5/2002

The University of Colorado at Colorado Springs
Colorado Springs, CO

- **Graduated from clinical psychology M.A. program**
- Thesis Title: *Personality and Neuropsychological Correlates Associated with Bullying Behavior in Middle School Students*
- Thesis Advisor: Frederick L. Coolidge, Ph.D.

9/1996 – 5/2000

Carroll College Waukesha, WI

- **Graduated Magna Cum Laude** with B.S. in *Psychology* (Clinical) and B.A. in *Sociology* (General)
- Clinical Mentor: Michael McCrea, Ph.D.; Academic Mentor: Ralph Parsons, Ph.D.

Awards and Honors

2016	Brain Injury Alliance of Arizona Significant Professional Contributions Award <i>- Awarded to the top health care providers in Phoenix, AZ</i>
2012	Phoenix Business Journal “Health Care Heroes” <i>- Awarded to the top health care providers in Phoenix, AZ</i>
2011	Arizona Psychological Association Distinguished Contributions in Science Award Winner <i>-Awarded to a Licensed Psychologist in Arizona who makes a top empirical contribution to the psychological literature</i>
2011	American Psychological Association Blue Ribbon Award Winner <i>- Award for top APA – Division 40 submission and invited talk</i>
2008-2009	American Psychological Association International Travel Award <i>- compensation to attend two international conferences in Summer, 2009</i>
2008	National Academy of Neuropsychology Inaugural 2008 Outstanding Dissertation Award <i>- travel compensation and award plaque presented at 2008 NAN convention</i>
2008	APA - Division 40 Student Travel Award <i>- \$2500 to attend and present research at APA 2008</i>
2005 - 2006 2004 - 2005	University of Montana Bertha Morton Scholarship <i>- Awarded to UM's top 5% of graduate students</i>
2005	University of Montana Student Dissertation Award <i>- financial compensation for research conducted leading to dissertation award</i>
2000	Carroll College Tom D. Stine Sociology Award <i>- Awarded to the college's top sociology major</i>
2000	Carroll College Buschkopf Award <i>- Awarded to the college's top student-athlete</i>

Hough, S., & **DenBoer, J.W.** (2008, August). *Cognitive Assessment Through Tic-Tac-Toe: Case Study of an Application*. Poster presentation at the annual meeting of the American Psychological Association, Boston, MA.

DenBoer, J.W., Hall, S., & Zade, D. (2008, February). *Memory for Complex Pictures (MCP) vs. Test of Memory Malingering (TOMM): Specificity, Sensitivity, and Face Validity*. Poster presentation at the annual meeting of the International Neuropsychological Society, Waikoloa, HI.

***Hane, L.S., Knuff, K., Hall, S., DenBoer, J.W., & Pauli, J.** (2008, February). *Face Validity of Two Effort-Detection Measures: Memory for Complex Pictures and the Word Memory Test*. Poster presentation at the annual meeting of the International Neuropsychological Society, Waikoloa, HI.

**Selected as a "featured poster" at the INS convention*

DenBoer, J.W., Zade, D., Hall, S., & Miller, C.M. (2007, October). *Processing Speed and Perceptual Organization as Predictors of Vocational Performance Among Traumatic Brain Injury (TBI) Patients*. Poster presentation at the annual meeting of the National Academy of Neuropsychology, Scottsdale, AZ.

DenBoer, J.W., & Hough, S. (2007, August). *Rehabilitation intervention for an individual with brain/spinal cord injury and visual impairment*. Poster presentation at the annual meeting of the American Association of Spinal Cord Injury Psychologists and Social Workers, Kissimmee, FL, USA.

DenBoer, J.W., Zade, D., Hall, S., & Miller, C.M. (2007, June). *Wechsler Adult Intelligence Scale – Third Edition (WAIS-III) Performance Predicts Vocational Outcomes in Traumatic Brain Injury (TBI) Patients*. Poster presentation presented at the annual meeting of the Massachusetts Neuropsychological Society, Boston, MA.

DenBoer, J.W. (2007, May). *Neuropsychological predictors of vocational outcomes among traumatic brain injury (TBI) patients in an outpatient rehabilitation setting*. Paper presentation at the annual meeting of the Vocational Outcomes in Traumatic Brain Injury Annual Conference, Vancouver, BC, CA.

DenBoer, J.W., & Hall, S. (2007, February). *Preliminary validation of the Memory for Complex Pictures test in a mixed brain-injured population*. Poster session presented at the annual meeting of the International Neuropsychological Society, Portland, OR.

DenBoer, J.W., Hall, S. (2007, February). *Memory for Complex Pictures: Initial development and validation of a digital test of memory malingering*. Poster session presented at the annual meeting of the International Neuropsychological Society, Portland, OR.

Brewer, C., Hall, S., & **DenBoer, J.W.** (2007, February). *A comparison of sensitivity among three symptom validity measures: TOMM, CARB, and WMT*. Poster session presented at the annual meeting of the International Neuropsychological Society, Portland, OR.

Shandera, A, Hall, S., **DenBoer, J.W.**, & Crouse, E. (2007, February). *Clinician's confidence in measures of effort*. Poster session presented at the annual meeting of the International Neuropsychological Society, Portland, OR.

DenBoer, J.W., Hall, S., Hoffman, K., & Jacobsen, J. (2006, February). *Successful simulated malingering on popular symptom validity tests*. Poster session presented at the annual meeting of the International Neuropsychological Society, Boston, MA.

DenBoer, J.W., Hall, S., Jacobsen, J., & Hoffman, K. (2006, February). *TOMM vs. WMT vs. CARB: Specificity, sensitivity, and face validity*. Poster session presented at the annual meeting of the International Neuropsychological Society, Boston, MA..

DenBoer, J.W., & Hall, S. (2005, September). *Client effort during neuropsychological assessment: Importance and implications*. Invited paper presentation to the annual meeting of the Brain Injury Association of Montana.

DenBoer, J.W., Pepper, A., & Miller, C. (2005, May). *Posttraumatic Stress Disorder Mediates the Relationship Between Depression and Borderline Personality Disorder*. Poster session presented at the annual meeting of the American Psychological Society National Convention, Los Angeles, CA.

DenBoer, J.W., Hall, S., Shandera, A., Burgstrom, J., Nelson, S., & Simonds, C. (2005, February). *Performance characteristics and detection rates of successful malingering*. Poster session presented at the annual meeting of the International Neuropsychological Society, St. Louis, MO.

DenBoer, J.W., Cragun, J., & Hall, S. (2004, November). *A 'neuropsychological' profile of successful malingerers: A preliminary study*. Poster session presented at the annual meeting of the National Academy of Neuropsychology, Seattle, WA.

Cragun, J., **DenBoer, J.W.,** & Hall, S. (2004, November). *Examiner accuracy and strategies of malingering detection*. Poster session presented at the annual meeting of the National Academy of Neuropsychology, Seattle, WA.

DenBoer, J.W. & Miller, C.M. (2004, May). *Self-efficacy and locus of control as axis II correlates*. Poster session presented at the annual meeting of the American Psychological Society National Convention, Chicago, IL.

*Simonds, C., **DenBoer, J.W.,** & Hall, S. (2004, April). *Comparing the face validity of standard and specialized neuropsychological malingering measures*. Poster presentation at the Montana Psychological Association Spring Convention, Fairmont Hot Springs, MT.

*Winner of the Montana Psychological Association Student Poster Award

DenBoer, J.W. & Hall, S. (2004, February). *TOMM vs. WCST: TOMM classifies coached malingerers and controls more accurately*. Poster session presented at the annual meeting of the International Neuropsychological Society Annual Convention, Baltimore, MY.

Shandera, A.L., Hall, S., **DenBoer, J.W.,** & Crouse, E. (2004, February). *Current use of malingering measures*. Poster session presented at the annual meeting of the International Neuropsychological Society Annual Convention, Baltimore, MY.

DenBoer, J.W., & Miller, C.M. (2003, May). *Locus of control, self-efficacy, and depression as predictors of borderline personality disorder*. Poster session presented at the annual meeting of the American Psychological Society National Convention, Atlanta, GA.

DenBoer, J.W., Coolidge, F.L., & Weinhold, B. (2002, August). *Personality and neuropsychological correlates associated with bullying behavior in middle school students*. Poster session presented at the American Psychological Association National Convention, Chicago, IL.

DenBoer, J.W., Coolidge, F.L., & Ahlmeyer, S. (2002, August). *Personality and neuropsychological characteristics associated with convicted sex offenders*. Poster session presented at the American Psychological Association National Convention, Chicago, IL.

Reviewing Experience

Journal Reviewing

Editorial Board:

- | | |
|----------------|---|
| 2008 - present | Editorial Board and Reviewer for <i>Applied Neuropsychology: Child and Applied Neuropsychology: Adult</i> |
| 2006 - 2007 | Editorial Board and Reviewer for <i>The New School Psychology Bulletin</i> |

Ad-Hoc Reviewer:

- | | |
|----------------|---|
| 2013 – present | <i>Journal of Clinical and Experimental Neuropsychology</i> |
| 2013 - present | <i>Brain Injury</i> |
| 2009 - present | <i>Psychological Injury and Law</i> |
| 2008 - present | <i>Journal of Clinical Psychology</i> |
| 2007 - present | <i>The Journal of Head Trauma Rehabilitation</i> |

Teaching Experience

8/2005 – 5/2006

Instructor and Adjunct Faculty Member **The University of Montana College of Technology** Missoula, MT

Course Taught:

Course Activities:

- Introduction to Psychology
- Planned and implemented two courses, including administering all tests and quizzes.
- Provided students with foundational knowledge about major concepts and theories in psychology.

1/2004

1/2005

Instructor **The University of Montana** Missoula, MT

Course Taught:

Course Activities:

- Psychology of Personality (PSY 351)
- Twice constructed, planned, and instructed a 3-credit wintersession class designed to teach students the major theories of personality.
- Specific focus given to research behind the development of major personality theories
- Students were tested using multiple-choice and short answer exams, as well as a paper and oral presentation.

7/2003

7/2004

7/2005

Instructor

The University of Montana

Missoula, MT

Course Taught:

Course Activities:

- Introduction to Research Methods (PSY 120)
- Planned and conducted three 3-credit summer session classes centered primarily on the learning and implementation of current and past research methodology.

8/2002 – 12/2002

1/2003 – 5/2003

Instructor

The University of Montana

Missoula, MT

Course Taught:

Course Activities:

- Introduction to Psychology
- Twice prepared and delivered lectures on a diversity of introductory psychology material to a class of approximately 70 undergraduate students
- Assisted with test construction, including developing and refining quizzes, a midterm, and a final exam.
- Assisted with the administration and grading of bi-monthly quizzes, and implemented and conducted in and out-of-class review sessions.

5/2000 – 5/2002

Teaching Assistant

The University of Colorado at Colorado Springs

Colorado Springs, CO

Course Taught:

Course Activities:

- Introduction to Psychology
- Introduction to Statistics
- Assisted in teaching and grading students enrolled in a self-paced PSY 100 course.
- Prepared, administered, and graded exams.
- Provided tutoring to students having difficulty in the class.
- Performed a variety of services, including grading tests, tutoring, and giving guest lectures.

Additional Teaching Experience: Guest Lecturing

12/14/2011

Expert Speaker

Arizona Neuropsychological Association

Phoenix, AZ

- Invited lecture for AZNA
 - “Successful Brain Injury Simulation on Popular Symptom Validity Tests”

6/11/2010

Expert Speaker
Benevilla Memory Care
Sun City, AZ

- Invited lecture for Benevilla Nursing Staff
 - “Introduction to Neuropsychological Testing”

11/19/2009

Expert Speaker
Boswell Memorial Hospital
Sun City, AZ

- Invited lecture as part of Boswell Lecture Series
 - “Neuropsychological Testing: Procedures and Utility”

5/2002 – 12/2005

Guest Lecturer
The University of Montana
Missoula, MT

- *Introduction to Human Neuropsychology* guest lecture:
 - The Occipital Lobe
- *Introduction to Clinical Psychology* guest lectures:
 - “An Introduction to Clinical Neuropsychology and Forensic Neuropsychology”
 - “The Brain, Drugs, and Clinical Neuropsychology”
