

CURRICULUM VITAE
ALAN M. SCHWIMMER, DDS

PERSONAL:

Business Address:
10 Union Square East, Suite 5B
New York, NY 10003
(212) 844-6852

Date of Birth: July 27, 1942

PROFESSIONAL EXPERIENCE:

2005 – Present

Attending Oral and Maxillofacial Surgeon, Dept of Otolaryngology

1983 – 2005

Chief, Oral and Maxillofacial Surgery, Department of Dental Medicine
Beth Israel Medical Center, New York, NY 10003

1987 – 1997

Chairman of the Department Continuous Quality Improvement Committee (CQI), Department of Dental Medicine I was responsible for coordinating the monthly departmental CQI meetings, and for supervising the development of CQI criteria for the department. I am also responsible for the monthly CQI report to the hospital CQI committee.

1987 – 1994

Associate Director, Department of Dental Medicine
Beth Israel Medical Center, New York, NY 10003

1987 – 1994

Director, Residency Training Program, Department of Dental Medicine
Beth Israel Medical Center
New York, NY 10003

During my tenure as Director of Residency Training I supervised and coordinated the successful transition of our training program from a fully accredited one year program to a fully accredited two year program. Since the beginning of the two year program we have matched every position up to and including the 1993 academic year.

My responsibilities included the supervision of day to day resident education, and coordination of inpatient care by the general practice residents, as well as the day to day general practice residents, as well as the day to day supervision of the chief resident in Oral and Maxillofacial Surgery rotating from Mount Sinai Medical Center. In addition to this I was responsible for residency recruitment, and the organization and production of the departmental residency training manual.

1987 – Present

Intramural Practice in Oral and Maxillofacial Practice
Beth Israel Medical Center
New York, NY 10003

1971 – 1978

Private Practice in Oral and Maxillofacial Surgery
New York, NY

MEDICAL BOARD ACTIVITIES:

1988 – 1989 Vice President, Alumni Association
1985 – 1987 Treasurer, Alumni Association
1982 – 1985 Trustee, Beth Israel Alumni Association
1982 – 1985 Member, Committee on Admission Priorities
1998 – 1998 Chairman, Ad. Hoc. Committee for Academic Promotion Albert Einstein College of Medicine

TEACHING APPOINTMENT:

1991 – Present

Associate Professor of Dentistry
Albert Einstein College of Medicine

1987 – 1991

Associate Professor of Dentistry
Mount Sinai School of Medicine

1985

Present Faculty Member, Swiss Association for Internal Fixation

1983 – 1989

Assistant Professor of Clinical Dentistry Mount Sinai School of Medicine

1980 – 2000

Lecturer - Columbia University School of Dental and Oral Surgery

1978 – 1983

Instructor – Department of Dentistry
Mount Sinai School of Medicine

1982 – Present

Attending – Department of Dentistry
Beth Israel Medical Center

1987 – 1994

Associate Director – Department of Dentistry
Beth Israel Medical Center

1981 – June 1985

Assistant Attending
LaGuardia Hospital

1979 – 1993

Assistant Attending
Hospital for Joint Diseases Orthopedic Institute

1977 – 1982

Assistant Attending – Department of Dentistry
Beth Israel Medical Center

1971 – 1979

Attending Oral Surgeon
Bronx Lebanon Hospital

ACADEMIC BACKGROUND:

1970 – 1971 Chief Resident, Oral Surgery
Fordham Misericordia Hospital

1969 – 1970 Assistant Resident, Oral Surgery
Fordham Hospital

1968 – 1969 Intern, Oral Surgery
Fordham Hospital

1964 – 1968 New York University
College of Dentistry

1960 – 1964 Queens College
City University of New York

1979-1984 Consultant in Forensic Dentistry
Medical Examiner of New York

PROFESSIONAL LICENSURE:

1968 New York, NY

SPECIALTY BOARD:

1974 Diplomate American Board of Oral and Maxillofacial Surgery

EDITORSHIP:

1977 Assistant Editor: Bulletin of the Bronx County Dental Society

PRESENTATIONS GIVEN:

1. Earliest Signs of Oral Carcinoma
Presented at Greater New York Dental Meeting
November, 1978
2. Program Chairman:
Evaluation of the High Risk Dental Patient with Cardiovascular Disease
February 8, 1980; March 1981
3. Full Mouth Periodontal Surgery in the Hospital Environment Utilizing Intravenous Sedation
April 9, 1990
4. Instructor: Basic Cardiac Life Support – Post Graduate Course
Beth Israel Medical Center
April 22-24, 1980
5. Instructor: Basic Cardiac Life Support – Post Graduate Course
Beth Israel Medical Center/
May 20-22, 1980
6. Program Chairman: Complications of Ambulatory Psychosedation
Beth Israel Medical Center
May 9, 1980
7. Co-Chairman: Distinguished Scholars Program Presented by:
Dr. Turvey – Department of Dentistry
Beth Israel Medical Center
February 9-12, 1982
8. Update: Understanding the General Dental Management of the Cancer Patient
Beth Israel Medical Center
April 28, 1982
9. The Use of Dynamic Plate for the Fixation of Mandibular Fractures Grand Rounds,
Department of Oral and Maxillofacial Surgery St. Lukes – Roosevelt Hospital Center
October 1982
10. Update on Risks of Hepatitis and How to Prevent it Presented at Greater New York Dental Meeting
November 26, 1982
11. Rigid Internal Fixation for the Management of Mandibular Fractures Oral Surgery Seminar –
Department of Oral and Maxillofacial Surgery Mount Sinai Medical Center – Grand Rounds,
Department of Dentistry Oral and Maxillofacial Surgery
1984
12. Program Chairman: Management of Medical Emergencies in the Dental Office
Beth Israel Medical Center
December 9, 1983

13. Management of Oral Complications of Cancer Therapy

1. Osteoradionecrosis
2. Mucositis
3. Infection Complications
 - i. Bacterial
 - ii. Fungal
4. Supportive Care

Beth Israel Medical Center

April 6, 1984

14. Complications of Conservative Fracture Management

Presented at the 42nd AO/ASIF Course on the Use of Rigid Internal Fixation in Maxillofacial Trauma and Orthognathic Surgery

Sponsored by the Swiss Association for the Study of Internal Fixation

Davos, Switzerland

15. Use of Internal Fixation for the Management of Mandibular Fractures

Grand Rounds, Department of Oral and Maxillofacial Surgery

Montifiore Medical Center – Albert Einstein College of Medicine

February 19, 1986

16. Management of Mandibular Fractures with Rigid Internal Fixation

Metropolitan Hospital Center

March 27, 1986

17. Rigid Skeletal Fixation

Grand Rounds, Department of Dentistry and Oral Surgery

St. Lukes – Roosevelt Hospital Center

April 28, 1986

18. Complications of Conservative Fracture Management

AO/ASIF Maxillofacial Course

Charleston, SC

June 6-12, 1986

19. Update 1986: Managing the Oral Problems of the Cancer Patient

Beth Israel Medical Center

May 23, 1986

20. Workshop – Rigid Internal Fixation

Department of Oral and Maxillofacial Surgery

University of Pennsylvania

June 23, 1986

21. Program Chairman: Rigid Internal Fixation of Mandibular Fractures

Beth Israel Medical Center

October 9, 1986

22. Early Diagnosis of Squamous Cell Carcinoma of the Oral Cavity
Greater New York Dental Meeting
November 1986

23. Complications of Conservative Fracture Management
Presented at the 42nd AO/ASIF Course on the use of Rigid Internal Fixation in Maxillofacial Trauma and Orthognathic Surgery
Sponsored by the Swiss Association for the Study of Internal Fixation
Davos, Switzerland
December 1986

24. Rigid Internal Fixation for the Management of Mandibular Pseudoarthrosis
Symposium on Maxillofacial Injuries
Mount Sinai Medical Center
October 15, 1987

25. Course Chairman: Swiss Association for Internal Fixation
Maxillofacial Course
Davos, Switzerland
December 1987

26. a. Principles of Lag Screw Fixation
b. Clinical Indication for Reconstruction Plates in Primary Fracture Care
Presented at the AO/ASIF Advanced Maxillofacial Course
Sponsored by the Swiss Association for the Study of Internal Fixation
Williamsburg, VA

27. a. Rigid Fixation of Lefort I Osteotomies
b. Management of the Intra-Operative and Post-Operative Complications
Presented at the AO/ASIF Advanced Maxillofacial Course
Sponsored by the Swiss Association for the Study of Internal Fixation
Williamsburg, VA
October 20-22, 1988

28. Course Co-Chairman: Rigid Internal Fixation in Maxillofacial Trauma
Presented under the auspices of the Swiss Association for Internal Fixation (ASIF) and the Israeli Association of Oral and Maxillofacial Surgery
Ramat Gan, Israel
April 2, 1989

29. Course Chairman: Advanced Prosthodontic Surgery for General Practitioners and Prosthodontists
Beth Israel Medical Center
April 1988

30. a. Overview of Orthognathic Surgery
b. Use of Rigid Internal Fixation in Maxillofacial Surgery
Presented at the annual meeting of the Argentine Odontological Association
Bahia Blanca, Argentina
November 1988

31. Early Signs of Squamous Cell Carcinoma

Alpha Omega – Staten Island Chapter

May 1, 1990

32. Regional Workshop on Rigid Internal Fixation of Facial Fractures and Orthodontic Surgery

Presented at the AO/ASIF Course

Lake George, NY

May 15, 1990

33. Mandibular Reconstruction – Rigid Fixation

Centennial Symposium

Beth Israel Medical Center

June 1, 1990

34. Workshop on Rigid Internal Fixation of Mandibular Fractures

Grand Rounds

Brooklyn Hospital

June 6, 1990

35. AO/ASIF Maxillofacial Workshop

Sponsored by the University of South Florida College of Medicine

Tampa General Hospital

June 29-30, 1990

- a. Lag Screw Fixation of Facial Fractures
- b. Biomechanics of Eccentric Dynamic Compression Plate
- c. Rigid Fixation in Orthognathic Surgery

36. AO/ASIF Maxillofacial Course

Athens General Hospital

Athens, Greece

June 13, 1991

1. Clinical Experience with the Use of Dynamic Compression Plates
2. Management of Treatment Failure
3. Orthognathic Surgery: Midfacial Osteotomies

37. AO/ASIF Maxillofacial Workshop

Sponsored by the University of South Florida College of Medicine

Tampa, FL

1. Lag Screw Principle
2. Eccentric Dynamic Compression Plate (EDCP)
3. Complications of Mandibular Fractures
4. Orthognathic Surgery of Mandible and Maxilla

38. AO/ASIF Maxillofacial Course

Sponsored by the University of Illinois College of Medicine

Chicago, IL

June 3-6, 1992

- a. Bone Biology and Biomechanics
- b. Sagittal Split of Osteotomy Technique and Fixation

39. AO/ASIF Course – Rigid Fixation in Cranio-Maxillofacial Surgery

Acapulco, Mexico

July 11-14, 1992

- a. Biomechanics of the Mandible
- b. Management of Infection and Pseudarthrosis

40. AO/ASIF Maxillofacial Workshop

Sponsored by the University of South Florida College of Medicine

Tampa, FL

July 31-August 1, 1992

1. Lag Screw Principle
2. Eccentric Dynamic Compression Plate (EDCP)
3. Complications of Mandibular Fractures
4. Orthognathic Surgery of Mandible and Maxilla

41. Concepts, Controversies and Complications in Oral and Maxillofacial Surgery

Resident Seminar Series – Manhattan V.A.

October 1, 1992

- a. Rigid Internal Fixation: Biological Concepts and Biomechanics
- b. Lag Screw Fixation
- c. Management of Psuedoarthrosis

42. Grand Rounds: Staten Island University Hospital Department of Dentistry

January 29, 1992

Infectious Disease and Infection Control/the Challenge of Practicing in the Nineties

43. Chairman: ASIF Maxillofacial Operation Room Personnel Course

Beth Israel Medical Center School of Nursing

Beatrice Reinfeld Division of Nursing Education and Research

Beth Israel Medical Center

February 20, 1993

44. AO/ASIF Maxillofacial Workshop – Mount Sinai Medical Center

July 30-31, 1993

1. Lag Screw Principle
2. Nonunion, Osteomyelitis and Complications
3. Mandibular Osteotomies

45. Maxillofacial Trauma Workshop

Sponsored by the University of South Florida College of Medicine

Tampa General Hospital

August 6-7, 1993

46. AO/ASIF Course: Maxillofacial Course – Baltimore, Maryland

March 28, 1998

GRADUATE COURSES TAKEN:

1. Contemporary Oral and Maxillofacial Surgery

University of North Carolina

Chapel Hill, NC

January 10-15, 1981

2. New Concepts in Maxillofacial Surgery

Stanford University

Palo Alto, CA

September 29-October 1, 1992

3. Surgical Anatomy

The University of Medicine and Dentistry of New Jersey

March 9-10, 1983

4. Rigid Internal Fixation for the Management of Mandibular Fractures

Department of Oral and Maxillofacial Surgery

University of Basel – Switzerland

April 24-May 6, 1983

5. Temporomandibular Joint – Pain and Dysfunction

University of Rochester Medical Center

Rochester, NY

November 10-12, 1983

6. Mini-Residency of Internal Derangement's of the Temporomandibular Joint

University of Rochester, NY

April 29-May 4, 1984

7. Mini-Residency on Orthognathic Surgery

University of North Carolina

Chapel Hill, NC

December 9-14, 1984

8. Osseointegration in Clinical Dentistry

The Washington Hospital Center

April 2-4, 1986

9. Head and Neck Anatomy

Farleigh Dickinson Junior College of Dental Medicine

October 22-24, 1986

10. AO/ASIF Course: The Operative Treatment of Fractures and Non-Unions

Theoretical Basis and Practice Principles - Davos, Switzerland

December 1986

11. Diagnostic and Surgical Arthroscopy of the Temporomandibular Joint

The University of Illinois at Chicago

Chicago, IL

July 17-19, 1987

GRANTS: Evaluation of the Stability of Varying Methods of Screw Fixation of Sagittal Osteotomies of the Mandible
Award by the Swiss Association for Internal Fixation (ASIF)
Commencing January 1990
Harrison Trust for Facial Reconstruction – Patient’s Care Grant

AWARDS: .In Recognition of Caring Spirit. Rabbi Isaac N.
Training Award
Beth Israel Medical Center
October 1, 1988

ABSTRACT: In Vitro Biomedical Evolution of Human Mandibular Sagittal Osteotomy Screw Fixation
Schwimmer, A., Greenberg, A., Kenney, F., Weber, and Kaynar, A.
Presented at the 73rd Annual Meeting of the American Association of Oral and Maxillofacial Surgeons
September 28, 1992

PUBLICATIONS:

Chapters:

1. Management of Mandibular Fractures: Modern Technics in Surgery
Head and Neck Surgery. M. Nussbaum, Editor Future Publications
May 1988
2. Lag Screw Fixation in Maxillofacial Trauma in oral and Maxillofacial Clinics in North America – Maxillofacial Trauma
L. Assael, Editor, W.B. Saunders, Vol 2, No. 1
February 1990
3. Lag Screw Techniques and Advanced Applications – Craniomaxillofacial Fractures
Dr. Alex Greenberg ed.
Springer – Verlag, NY 1993
4. Mandibular Pseudarthrosis and Non-Unions – Craniomaxillofacial Fractures
Dr. Alex Greenberg ed.
Springer – Verlag, NY 1993
